

Sustainable Vision

Define an inspiring, meaningful and **Sustainable Vision** for our Society and Environment

Eco-Systems

Use the power of **Eco-Systems** for the implementation of innovative (digital) Use Cases

Personal Ownership

Take **Personal Ownership** to successfully bring the Ideas to the stage of impactfull, usable Solutions

Empower the Engadin to create a sustainable Future for residents and guests (by using digital innovation)

Make the Digital World accessible for all tourism players in Switzerland (and later abroad)
